Election time is here once again, and the candidates line up to have their picture taken—the last friendly gesture they will make towards each other until the election is over. Candidates include, for president, Doris Betta, Robb Bohart, Howard Mylander and Tom Ryan; for vice president, Olga Blair, Pat Bonner and Steve Miller; secretary, Sharon Voorhees; treasurer, Carla Huston and Bob Weston; sophomore representative, Sharon Hayes and Everett Reagan.

Student Body Elections To Be Held Thursday, April 26; Vote in Union

Election of student body officers for the 1962-63 school year will be held on April 26. The entire student body will be eligible to vote. Voting will be from 9:00 to 3:00 in the Student Union.

The campaigning will continue through April 25.

A list of the candidates and their backgrounds and platforms follow:

SOPHOMORE REPRESENTATIVE

Sharon Hayes: I am Sharon "Gabby" Hayes, and I am a candidate for the office of sophomore representative. I have in the past years been active in the activities and affairs of the schools I attended. This year I was elected alternate cheerleader and became an active cheerleader at the end of football season. It was through this "chance of luck" that I was able to get acquainted with many of my fellow freshmen probably better than I would have otherwise. I am interested in arousing more pep in our school and also in seeing that each student has a voice in the government of BJC.

Everett Reagan: I am running for sophomore representative. I feel that I would be qualified for this office; during high school I was active in several clubs and an officer in two. At BJC I am a member of Pi Sigma Sigma and treasurer in the French club. If elected, I would work to bring about better relations between the student council and the student body. I would do my best to represent the best interests of the student body. All votes will be greatly appreciated.

Mike Tunison: I was born in Caldwell, Idaho, June 30, 1943, and spent three years of grade school there. Then we moved to Boise, where I finished grad school, junior high and finally graduated from Borah High school. While at Borah, I was student body president. My hobbies include sports in general and specifically water skiing. I am presently paging IK's and recently have become good at shining shoes, picking up paper and a few other odds and ends. In closing I would like to say that the very least you can do is vote. The opportunity is yours, and if you want to have those who you can trust run your school next year, then you should by all means vote. Naturally, I hope that you will vote for me! Thank you.

TREASURER

Carla Huston: I am a '61 graduate of Boise High school. I am majoring in accounting. I am next year's chairman of the Valkyries book room. I was very active in high school clubs—the Scarlet Skirts and Girls' club—and was in the top 10 per cent.

All organizations are reminded of the closed period prior to final examinations and the preceding week. No extra-curricular activities shall be scheduled this year after May 12.

Vice President
W. L. Gottenberg

Robert Weston: Robert Weston is a candidate for student body (A.S.B.) treasurer. He was graduated from Boise High in 1961 and while attending this school he was active in several organizations and treasurer of the Art club. At BJC he is following a liberal arts course, is a member of Pi Sigma Sigma and Ski club. He feels that he is well qualified for this position and will do his best to represent the wishes of the student body if he is elected to serve as treasurer on the student council.

SECRETARY

Sharon Voorhees: I graduated from Borah High school last spring and am now majoring in education at BJC. After graduating from school here I plan on going to either the University of Idaho or Idaho State.

In high school my main extra-curricular activity was in the Pep club where I served as vice president. At BJC I am a member of the social committee, recently appointed secretary-treasurer of the freshman class, am a Life Line and am now Pi Sig first lady.

I realize that the person winning this office will have a lot of work to do but I know if I'm lucky enough to get this office I would be willing to do my best. I'd love to serve on the student council next year.

VICE PRESIDENT

Olga Blair: This year I have served as a freshman representative in the student council. I have enjoyed this job very much, as it has awarded experience in government and a knowledge of BJC and the problems that face the students. I am again seeking election, this year for vice president of the student body. In this position I feel sure I can do the best job of fulfilling a goal in the betterment of student understanding with the government as it is. Also there is a need of an active committee which will instigate more publicity of events happening during the year. If elected your vice president I will do my best to create this unity in student affairs. The office holds many other responsibilities which I feel qualified to administer and will do the job to the best of my ability.

Pat Bonner: Pat Bonner is a candidate for student body vice president. Her record of past experience well qualifies her for this office. She attended St. Teresa's Academy where she was vice president of the junior class, assistant editor of the annual, managing editor of the newspaper, president of girls' club and May queen.

Here at BJC she was selected to be a Life Line, a candidate for "Best Dressed Girl" and recently became a Valkyrie. She has also

BJC Debate Squad Represented At Tau Kappa Alpha Speech Conference

Attending the annual Tau Kappa Alpha speech conference at Missions College are Beverly Eason, Ed Stephens, Denton, the women debate team and Marion Turner and Gerald Dyrness, the men's debate team. The squad will be in Boise April 25 to attend the free day speech conference.

Mr. John Watkins, BJC debate coach, was recently appointed to be board of directors of the College Association of Parliamentarians. He will attend meetings concerning parliamentary proceedings, a May session of national headquarters and Mr. Watkins' trip to be debate coach at BJC. He has been his squad on six tournaments including Fresno, California and Linfield, Oregon.

The topics to be debated will be: National resolution, Resolved: labor organizations should be freed under the jurisdiction of labor legislation. In addition to debate, home Denton will present his oration. The Next Step: Utilitarianism. Miss Denton placed first in the Idaho Speech conference and in the semi-finals of the tournament at Fresno. Beverly Eason will compete in extemporaneous speaking. Miss Eason placed first in the Idaho Speech conference and second at the Intermountain Speech conference. Marion Turner will present his oration. The Is My Neighbor. Gerald Dyrness will compete in extemporaneous speaking. Mr. Dyrness placed third in the Idaho Speech conference. The topic for extemporaneous

speaking will be United States in International Affairs, 1962.

The tournament will have about 40 to 50 colleges competing for places. It is one of the larger mid-west tournaments.

The squad will participate in an activities program that will occupy most of the time of the three days of participation. They will return to Boise sometime Sunday.

May 4 and 5 Dates For "Hay Fever"

The story of a retired actress, her husband and two children who have invited a group of friends for the weekend without informing each other, and the resulting hubbub over rooms and entertainment, make up a hilarious evening for the audience in the play Hay Fever by Noel Coward, to be presented at BJC on May 4 and 5. This is one of Mr. Coward's earliest and most delightful comedies based on Laurette Taylor and her family. (Miss Taylor is famous for her part as the mother in Tennessee Williams' "Glass Menagerie")

Hay Fever was first performed in the mid-20's at the height of the flapper period and has retained all of its bounce and gaiety.

Appearing in the play are Alora Johnson (Sarel Elias), Conrad Hill (Simon Elias), Marion Hooper (Judith Elias), Richard Plumlee (David Elias), Ann Gardner (Clara, the maid), Travis Oplyke (Sandy Tyrell), Leslie Benson (Myra Arundell), Mike Steele (Richard Greatham) and Judy McNelly (Jackie Corvton).

Directing the play is Mr. John Woodworth of the speech department of BJC. Dr. William Shankweiler, head of the drama department, will be in charge of the

REMINDER FROM DEAN OF MEN

On pages 16 and 17 of the Student Handbook there are some clothing tips for BJC students. "Slacks, shorts or pedal pushers are NOT acceptable campus wear for women. Bermudas are NOT acceptable campus wear for men."

English Film Friday

The Lycium committee presents an English film in the foreign film series this Friday at 8:00 p.m. in room 106B.

The film Tight Little Island, is a story about the inhabitants of a Scottish island. It is a warm and human account of a comic situation which arises when the island dwellers discover a shipwreck off-shore and claims a cargo for their own merriment. Starring is Basil Radford and Joan Greenwood.

Spring Formal Saturday Night

BJC's annual Spring Formal will be held this Saturday evening, April 28, in the gym from 9:00 to 12:00 o'clock. The theme will be "Stairway to the Sea, and admission charge is \$1.00. Music for the evening will be furnished by Linden Leatham. Intermission will include the crowning of Mr. and Miss BJC. Corsages will be given to the girls at the door.

General chairman for this formal is Sharon Voorhees and her committee chairmen include the following: decorations, Donna Bayhouse, Pat Bonner; publicity, Sharon Hayes; intermission, Doris Betta; receiving line, Deanna Hill; programs, Marlene Baker; invitations, Teddy Alworth; floor and door, Bill Hart; music, John Ward.

Time is running out, so, boys, hurry and get your dates.

COLLEGE MEN! Earn over \$5000 annually as a commissioned naval aviator or aviation ground officer. You may be qualified for navigator, bombardier, radar interpreter, air intelligence or aviation ground officer. See the naval aviation ground officer at BJC April 25-26, 1962, in the Student Union from 9:00 a.m. to 3:00 p.m.

Golden Z's To Hold Annual Show, Tea

Golden Z's have chosen "Sun, Sea and Starlight" as the theme of their annual fashion show to be held at 2:30 p.m., May 5, at the Ralph J. Falk estate at 135 Warm Springs avenue. The proceeds from this event go to the Mammie Pearce scholarship fund.

The Falk estate has been willed to Boise Junior College, and this will be the first school event to be held there. The pool and formal gardens are an outstanding attraction. This will be a pool-side affair with the models walking on a ramp across the pool to show swim suits, sport clothes, street wear and evening dresses from The Mode, Ltd.

Tickets will be on sale in the main hall of the administration building the week preceding May 5. The price is one dollar for BJC students and faculty and \$1.25 for other adults.

Models for the event are Terryll Clark, Katie Lilly, Gale Forrest.

Art Department

Art Show May 6-12

The BJC art department will hold an art show May 6-12. The art students, faculty and guest artists will exhibit. The show will be displayed in the science building.

On opening day, May 6, between 2:00 and 4:00 p.m., demonstrations will be given and refreshments will be served.

Alford Dunn, water color instructor at the University of Idaho, will give a lecture on May 11. It will be held in the science building at 1:00 p.m. in room 106B, and the public is invited to attend.

On Saturday, May 12, a water color workshop will be conducted for BJC students.

Anyone interested in art is invited to the show to see the work the students have done throughout the year.

MOUNTAIN STATES PRESS INC., BOISE

VOTE, VOTE, VOTE....

It's that time again—election week.

Boise Junior College students will once again be electing their officers for next year.

How are you going to vote? For the girl with the cutest smile, or the boy with the neat car? Or are you going to vote for the candidate who has BJC rather than selfish interests in mind? A lot of responsibility goes along with the winning of an office. The atmosphere of relations between campus clubs, the attitude toward faculty and administration, the entire success of the school year rests on the shoulders of the members of the student council.

In this issue of the Roundup, the candidates for student body offices have given a statement concerning their background and what they hope to be able to do for BJC. If read and studied carefully, these should be an immense help in deciding for whom to vote. A student body election is just as important to the student body as a national election is to the nation and is not to be taken lightly.

If the voters study the issues and vote seriously, the result is sure to be a serious student council who will have in mind the best interests of BJC.

The Roundup is not trying to influence anyone's thinking, but rather trying to make the students think. It is, of course, important for whom you vote, but the most important thing is to vote. In the past, the percentage of the students who have voted has been very small; let's make this a record year, and VOTE.

SOPHOMORES: So what if you are going to graduate? Your interest in the government of this school should be just as keen as the interest of the freshmen who are seeking election. Don't shirk your responsibility and duty—VOTE.

In closing, students who are of an age to vote in the state elections are also reminded to study the issues to vote intelligently. For many, this may be the first opportunity to vote, and the proceedings may seem strange. But, look into it; register and VOTE.—ST.

STUDENT BODY ELECTIONS

many outside interests. In high school she belonged to St. Alphonsus Junior Auxiliary and last summer was a counselor at the YMCA Camp Ponderosa.

If elected she plans to stimulate interest by more planned activities, more student participation in school government and last but not least, would like to see a more "studentized" union.

Steve Miller: I was born in Butte, Montana, August 7, 1913. When I was very young, we moved from Butte to Kalispell. I spent my first 11 years of school in Kalispell schools. At Flathead High school in Kalispell, I served on the student council my freshman, sophomore and junior years as a home room representative. Between my junior and senior years in high school we moved here to Boise. I graduated from Borah High school with the class of 1961. I am an active member of DeMolay.

PRESIDENT

Doris Betts: Doris Betts is a freshman business major here at BJC where she entered in the fall of this year after graduating from Borah High school. She served as the editor of the yearbook at Borah in her senior year. She is now a member of the social committee and recently joined the Valkyrie where she was elected secretary beginning in the fall of 1962. She is also co-editor of BJC's 1962 *Les Bols*. "I would appreciate the responsibilities of student body president and would work to the best of my ability in this office. I enjoy working with and for people and would like to be a member of the student council. I believe that I am qualified for this position."

Robb Bohart: Robb Bohart is a candidate for student body president. Robb graduated from Borah High school in 1961. While there he was very active in extracurricular activities, and was a rep-

resentative to Boys' State. At BJC, Robb was elected freshman class vice president. He has served on the Union Night committee, is a member of Pi Sigma Sigma, and has served as secretary of this organization and worked last fall on the Roundup. He was appointed by the student council to be chairman of a committee to secure and maintain ping-pong tables in the SUB.

"I have enjoyed working on the student council very much this year. I feel it has given me the experience and knowledge necessary to solve the problems that exist here at BJC. If elected, I should like to see students helping with the passing of a BJC bond issue should another arise, a wider program of social activities and improved recreational facilities in the SUB."

Howard Mylander: My name is Howard Mylander, and the office I am seeking is student body president. I am a native of Boise and served as student body president of Boise High school last year. I was also elected president of the Idaho Association of Student Councils for Idaho High Schools. I am interested in sports and played two years of varsity basketball for Boise High. I am taking a pre-dental curriculum here at BJC and plan to attend the University of Oregon after my sophomore year.

Tom Ryan: This candidate for student body president is a dynamic young man who has many times proven himself a remarkable organizer and leader. In recognition of his outstanding leadership he has received two scholarships from local Boise groups. He is attending BJC as a business major and plans to become a corporate lawyer. For the past year he has been advertising manager for the school newspaper, the Roundup, and business manager of the yearbook, *Les Bols*. He might be called a "radical" for he stands for student action to reform and modernize our college government as

DORM NEWS

Plans are being made for the dorm's "Little Sister Week End" May 4-6.

Janice Fors and Linda Wilson are missed, especially by Suite H, since they moved from the dorm because of their jobs.

Wednesday night the weekly dance was held on the patio of Driscoll hall.

Plans are being made for the picnic for both dorms. It is scheduled for April 29 and is going to be held at Lucky Peak.

Suite B had an enjoyable time last Wednesday evening when they went to Idaho City for a swim.

Dinner guests last Wednesday were Dr. and Mrs. deNeufville and daughter; Mrs. Cramer, and Mr. and Mrs. Bushby and her sister.

SOCIAL COLUMN

The engagement of Sue Hansen and Marc Moulton has been announced. They are both students at BJC. No wedding date has been set.

An August wedding is being planned by Karen Broadbent and Ron Kraft. They will be married in the LDS Temple in Idaho Falls. Karen is a BJC student. Following their wedding, they will make their home in Boise where Ron will attend BJC next fall.

Lois Mohler is engaged to Bob Oberbillig. No wedding date has been set. Bob is in the Air Force stationed at McChord Air Force Base in Washington.

Being married in the Nyssa, Oregon, Community church June 3 are Pauline Stevens and Bob Ewell. Both are students at BJC. After their wedding they will return to Boise to make their home. Bob will attend BJC next fall.

Baker, Oregon, First Christian church is the setting of the marriage of Marta Newman and Leo Bainter on June 10. Marta is a student at BJC. Leo formerly attended Eastern Oregon College. After their wedding they will make their home in Baker.

Any student knowing the whereabouts of any decorations taken from the Pi Sig Presidents' Ball, please return them to Mr. Zeller's office or contact Tom Mitchell or Bill Hart. The decorations taken were borrowed from local firms and must be returned. Still missing are five glass balls (floats), one orange fishnet and four tan starfish.

part of an over-all plan to increase student representation and participation. He represents BJC as a whole.

"There are three major areas of activity concerning BJC which I believe are quite important to the growth of this college and to increased student purpose. First is the very definite need for contact between the student body and the student council. This could be greatly improved by more direct student representation.

"Second is the demand for increased and varied activity centered at the Student Union; I believe that we now have the opportunity to open the Union every night for student use.

"The third point is the growing necessity for an awareness of the high prestige and solid support of BJC in the community. This, I think, will begin to build the strength of our college.

"Remember to vote, not for the candidate, but for the good of BJC. Vote for a strong student government."

Many a man never fails because he never tries... Trying hard to impress people is one of the hardest ways to do it... there's no fool like an old fool because he's had more experience.

PERSONALITIES OF THE WEEK...

The two handsome young men pictured above are being featured this week in the Roundup because, though far from being identical, they are twins. Their names are Sherwin and Richard Beaman, better known as Smokey and Blondy. They live in Kuna, Idaho, with their aunt and uncle and are sophomores at BJC. The boys are 19 years old. (Smokey is the oldest by 20 minutes.)

As a rule these twins like to be different and so they are! Each has his own personality and individual tastes. Smokey explains that clothes that look good on Blondy don't generally look good on him. Smokey has dark brown hair and brown eyes, is 5' 10" tall and weighs 185 pounds. Blondy, a blonde, as the name implies, has blue eyes, is 5'9" tall and weighs 125 pounds. Smokey is majoring in commercial art (chances are you've seen his famous tiki's hanging around the necks of various males on campus) and Blondy has his major in education.

The boys' interests are also very different. Smokey likes art and sports, especially fishing, football and basketball, while Blondy's interest lies in reading, swimming and playing the piano. Although pie seems to be the favorite food of both twins, their tastes vary in the kinds of pie? Smokey likes cherry pie, Blondy favors peach. As for color differences, Smokey's is dark green, Blondy's blue.

Oh, but there is something that the boys have in common. Both

are Pi Sigs. Smokey is sergeant-at-arms of the organization. Blondy is in the school band.

Being twins seems to bring the boys closer together and their relationship lies very deep in that they are good "buddies" as well as brothers. They like to work together as a team and have great confidence in each other. But agree that there are no disadvantages in being twins... "It is nice to have a companion your own age." They work out any major problems together and have agreed never to take out the same girl. Both Smokey and Blondy favor girls with blue eyes who are well-mannered, fun but not too tedious and friendly. There's a little disagreement on the hair color! Smokey prefers brunettes, Blondy likes blondes (There seems to be a little prejudice here!).

Blondy and Smokey Beaman are well known at BJC not only for their good looks, but for their friendliness and enthusiasm. It's evident that they will go far in life, but we hope not too far. They're nice to have around.

College Calendar

Student Council

Newly elected SPIB chairman, Dan Kline, selected a committee including Olga Blair, Carol Eisele and Dennis Strub. A meeting was planned to discuss the procedure in creating student participation among the various service organizations and the student body as a whole.

Bill Hart, chairman of the freshman class project, reported that the project was nearly completed. A car wash is to be held April 21, at a local service station. John Ward, sophomore project chairman, added that the sophomore project drive was completed with a contribution from the Intercollegiate Knights. Preliminary planning is underway.

Vice President Scott Rustay discussed the student body election. He told council members "there is a full slate and the progress thus far seems to be quite favorable." April 26 is voting time; 9:00 a.m. to 3:00 p.m., in the Student Union.

Treasurer Carol Eisele summed up the meeting with a financial report. In part, "the student body fund had \$24,380 at the beginning of the year. To date, the sum is \$35,633.88, a gain of \$11,253.88. However, all the debits are not in, so it is estimated that there will be a balanced budget by the end of the year."

National Business Tests Given April 18

National business entrance tests were given on Wednesday, April 18. Mr. Elmo Parish, chairman of the education committee of the Boise chapter of National Office Management Association, and Mr. Helen Johnson, Boise Junior College chairman, were in charge of these tests. Mrs. Lilly Powell of Borah and Mrs. Florence Heath of Boise High also assisted.

The NBE tests are achievement tests measuring marketable productivity in one or more of the basic office jobs: typing, bookkeeping, shorthand, general office clerical and machine calculation. In all tests, an attempt is made to stimulate actual working conditions in an office. A basic fundamentals and general information test will complete the series.

Schools such as Meridian, N. Links, BJC, New Plymouth, and Boise participated in the tests.

People are unreliable matters — either they when they have little, or when they have much, being able to understand wouldn't be so bad if we understand men.

acting as assistant director and technical direction. Gary Smith is Carlene Light as stage manager.

The play will be presented in the Student Union ballroom. There is a special reason for presenting it in a room without a stage. It is called a theater-in-the-round production. The audience will be seated around the stage and there will be no curtain. Act divisions will be indicated by turning out the lights. Mr. Woodworth has had long experience with this type of presentation, having directed for a theater-in-the-round group in Oklahoma. This is the third performance of the theater-in-the-round at BJC, so Dr. Shankweiler has also had much experience. It has proven to be such a success they hope to have one every year.

"Curtain" time will be 8:15 on May 4 and 5. Students will be admitted with their student body cards. General admission is \$1.00 for adults and 50 cents for students. The dorm girls' little sisters will also be admitted free.

For an unusual and exciting evening, don't miss Max Baer.

JUST BROWSIN'

The life story of Romain Gary is related in his widely acclaimed **Promise at Dawn**. Here the narrator depicts his childhood in Russia, Poland and on the French Riviera, and the contrasting conditions of luxury and squalor which he encountered. It tells of his peacetime and wartime adventures, some hair-raising, some facetious. Ultimately, it tells of the love that was his very life. The promise at dawn embodies the promise of a brilliant future by an affectionate mother to her son and the son's promise to accomplish that which she expected of him.

Last week we left you standing in the middle of sports clothes on the second floor of C. C. Anderson. The friendly saleslady has just told you that's where you are, and now she's turned her back and is waiting on someone else. The other customer disappears into the dressing room, and when she emerges again, she looks like a new woman. Then you discover that the outfit she has on is just like the ones on the rack upon which you're leaning.

By Mayestic the sign reads. And what pretty, conservative spring frocks. Browns with orange and mauve with shades of green, or black with black.

There are skirts and blouses and sweaters. Out of curiosity, you examine the price tags: a striped cotton skirt—only \$3.98. Roll-up sleeved, Peter Pan collared blouse to match, in plain color—\$5.98. Bulky knit sweater, in color—\$4.98. Plain slacks to match—\$8.98. The skirts and sweaters include matching belts.

And besides these, you see plenty of skirts, striped and printed with matching roll-up sleeve blouses or short sleeved, collarless blouses. Little bulky knit sweaters with striped or flower prints, plaid blouses, blouses in cotton orinkle crepe—a whole wardrobe for only a few articles of clothing.

You, too, take a trip into the dressing room and emerge a different person.

After making your purchase, ask the saleslady, "How do I get out of here?" She points to the escalator, and there you are on your way.

BJC Blows Diamond Contest, 14-12

Boise went down to defeat in a free swinging baseball game, 14 to 12. It was the Broncos' fifth loss of the season as opposed to eight victories.

This game, which was played Tuesday, April 17, was the final nonconference tilt before they commence the Northern Division Intecollegiate Athletic Conference play.

The slugfest proceeded through 11 innings and finally BJC come out on the short end as the College of Idaho Coyotes singled twice and scored on costly errors by BJC.

The Broncos went into the bottom of the ninth trailing by five runs. But a five-run outburst tied up the game.

The win gave the College of Idaho an 8-1, which is the top valley team.

BJC Takes Two Ball Games and Track Meet; Glenn Chalks Up No-Hitter

Mike Glenn, BJC hurler, chalked up a perfect game Saturday, April 21, as he downed Weber 3 to 0 in the opening game of a double-header. The Boise southpaw showed exceptional poise as he fanned 18 batters. The rest of the team had little work to do, as only three Weber bats managed to come in contact with the ball. One grounded to third in the first; the fifth saw the lead-off man fly out to right and finally a pop-up to the third baseman.

Mush Stevens, Boise shortstop, knocked in the first BJC run in the third with a single. Glen Oura came home on Stevens' hit, Dave Spradling sacrificed, sending Stevens in with the second tally.

Stevens scored once more in the game when Bernard Bisho boomed a triple in the fifth.

The Weber pitcher proved successful, as he gave up only three hits and struck out 12.

In the nightcap, BJC garnered all their runs in the first inning.

Oura led off with a double followed by a hit batsman. Mike Grisham tripled, sending home two runs, and Kay Engelking followed with a double.

Boise had trouble with the Weber hurler, Anderson, and struck out 13 times.

Claude Henry was again strong as he allowed only five hits in shutting out Weber by the identical score as the previous game, 3 to 0.

With the double-header victory, Boise now sports a 10-5 record for the season. In Intermountain Collegiate Athletic Conference play they possess a 2 and 0 record.

TRACK

No matter what the weather conditions are, BJC manages to pull through. Friday, April 20, BJC held their Invitational track meet and walked off with the honors.

Coach Ray Lewis had this to say about the weather, as taken from the Idaho Daily Statesman: "It was a typical day for the BJC Invitational. It was a windy day, the track was wet and slow and, as a result, times and distances weren't as good as they might have been. Coach Lewis has handled the tracksters for six years now in the Boise Invitational, and every year the conditions are the same.

Team scoring was: BJC 83, EOC 45, C of I 13½, NNC 1.

Students and Faculty Enjoy Thursday Assembly

The assembly of April 19 featured two musicians, Mr. Schwabacher and his assistant pianist, Mr. Wilson, in a history of music and song from Adam and Eve to contemporary times. Mr. Schwabacher, as narrator and singer, first presented an old English piece by the composer Purcell. He represented the Italian opera and melody with an opera of Scarlatti entitled, in the English tradition, *He Who Wishes to Fall in Love Ought to Give it a Great Deal of Thought*.

From the Baroque or irregular period of music, he sang a number by Bach and a piece from Mozart's opera, *Don Giovanni*. A balanced piece of music by Gluck illustrated the contrast between Baroque and classic music.

To exemplify the era of Franz Schubert and the unification of piano and song, Mr. Wilson played "walking music," or andante on the grand piano on stage, and Mr. Schwabacher presented two of Schubert's songs.

Following were three French songs ranging in tempo from quiet to rapid. Ending the assembly in a light vein, Mr. Schwabacher sang several 20th century American songs, combining serious music with humorous words.

and Rick Malone; refreshments, Phillip Henderson; entertainment, Barbara Gaver and Terry Loney; band, Norman Brewer.

During intermission, entertainment was provided by vocal soloists Lynn Fleming and Ardella Berheim, and the dance team of June Rynn and Leslie Benson; Dan Kline played the piano.

Chaperones for the dance were Mr. and Mrs. Johnson, Mr. and Mrs. Arellano, Mr. and Mrs. Ed Wilkinson, Mrs. Gladys Johnston, Mrs. Margaret Allison and Mr. John Watkins. Also attending were dorm "parents" Mrs. Inez Wakeman of Morrison Hall and Mr. and Mrs. Fowler of Driscoll Hall and Mr. and Mrs. White of Delane Hall.

Opportunity Offered By Summer Program

A unique summer experience for college students, 18 to 22, is offered by the 17th annual Encampment for Citizenship—a "workshop in democracy"—held in New York, California and Puerto Rico from July 1 to August 11, 1962.

Mrs. Franklin D. Roosevelt, honorary chairman, has described the program as "one of the best that I have seen to bring young people in a vital and interesting way the dynamics of democracy."

Conducted on the campus of the University of California, Berkeley, the Fieldston in New York City, and at Camp Tugero in Puerto Rico, the camp provides an opportunity for students to live, study and work with alert young people from all sections of the United States, representing diverse racial, ethnic and economic backgrounds.

Major areas of study are government, civil rights, liberties, international relations, economics and practical work for civic and community improvement. Field trips to government buildings, management, farm, industry, community organizations in New York, San Francisco, San Juan supplement the workshops and discussion. Varied recreation programs, use of the rich cultural and national resources of these areas and daily on-campus activities include all summer sports, square dances, community projects, etc. A growing number of universities grant academic credit for attendance at the Encampment or for special projects during the session.

The New York Encampment accommodate 100 students in California and Puerto Rico accommodate 80 each. Tuition, room and board are included. Some financial assistance is available to students unable to pay the costs.

Information and application may be obtained by writing to Encampment for Citizenship, West 64th Street, New York, N. Y., or 2209 Van Ness, San Francisco, California.
